SUCCESSFUL SMOKER HELD BY GREEKS

Two Hundred Fraternity Men Make Merry at Hotel Raleigh.

FRATS DO STUNTS.

From Dean Fraser's opening greeting of "Fellow Greeks" until the last notes of "Auld Lang Syne" died away, the Third Annual Smoker of the Interfraternity Association of the George Washington University on January 15th, was a "thing of beauty and a joy forever."

About two hundred members of the Greek Letter Fraternities having chapters in the University were present, and all seemed imbued with just the proper amount of college spirit to make the affair a successful one. Every one of the G. W. U. Chapters composing the Interfraternity Association was well represented, and in addition to their presence added to the enjoyment of the evening by furnishing a "stunt". As in the two previous smokers given by the Interfraternity Association, these "stunts" were varied in character and were of more than usual interest.

Dean Everett Fraser of the Law School presided as Toastmaster, and none of the speakers could complain of his introduction, as Dean Fraser has his own original methods when acting in the capacity of Toastmaster, and the Dean was at his best last Friday night.

The various Departments of the University were well represented by the guests of the evening, who spoke on subjects of interest to every University man present, and if the enthusiasm with which the remarks of the speakers were received is an indication, the remarks were indeed appropriate. The guests of the evening were Dean Howard Lincoln Hodgkins, of the Department of Arts and Sciences; Dean Charles E. Munroe of the School of Graduate Studies; Dean William A. Wilbur of Columbian College; Dean William C. Ruediger of Teachers College; Dean William C. Borden of the Medical School; Dean John Roland Walton of the Dental School; Dean Henry E. Kalusowski of the College of Pharmacy; Dean David E. Buckingham of the College of Veterinary Medicine; and Professor Leslie Cleveland McNemar, Faculty Director of Athletics.

President Stockton was invited to be present but was unable to accept because of absence from the city.

Professor McNemar's address was interrupted several times by the applause of the fraternity men. The Professor explained the situation of athletics in the University and his own relation to athletics as Faculty Director, and in a forceful speech called upon every G. W. U. man present to come to the support of the University at this time, when the life or death of student activities hung in the balance.

The telegraph companies evidently had a very busy evening, as indicated by the numerous telegrams received by the Toastmaster. The subjects of the telegrams were extremely diversified, but all were to the point; for instance, following a message announcing the sad news of the death of Cherry Tree, came a message announcing the joyous news of the birth of College Spirit.

The smoker was held in the Ball Room of the Raleigh Hotel, which was appropriately decorated for the occasion.

John M. Jeffries, Joseph B. Kingsbury and Erwin Harach were in charge of the affair and received the praise of the fraternity men for their capable management of the Smoker.

FELLOW-STUDENT!

IT IS UP TO YOU.

If YOU (not the other fellow) do not help the situation by purchasing an Athletic Association Season Ticket RIGHT NOW Athletics in this University are DOOMED for good and all.

DO YOU GET IT?

Because YOU will not come across with two dollars for a ticket, intercollegiate athletics are dying, not to be revived for many years to come. Because of YOUR lack of George Washington spirit, the University is getting a black eye in the collegiate world.

WHAT ARE YOU GOING TO DO?

Will you continue to sit back and do nothing or will you do your share to put G. W. U. in its proper place in the athletic world?

NOW IS THE TIME

GET BUSY BEFORE IT IS TOO LATE.

LAW SCHOOL TO HAVE CLASS BOOK

President Pierce of the Senior Class Gets the Book Started.

When James F. Pierce, president of the Senior Law Class, found that he could not secure sufficient co-operation to get out the Cherry Tree this year, he fell back on the idea of getting out a year book for the Law School alone.

In view of the fact that this is the Semi-Centennial year for the Law School it is a timely occasion for such a book. The book will contain, besides the usual Senior and underclass pictures, an illustrated history of the Law School, which will take up a number of pages and cover fully the fifty years of history of the department. It will be illustrated by pictures of the old buildings occupied by the school at different periods, and probably with portraits of some distinguished former members of the faculty.

The present faculty will be given a prominent place in the book, and the societies and fraternities who have members in the Law School will be given space.

The book is due entirely to the personal efforts of Mr. Pierce, and the Law School seems already to have taken hold of the idea and will give him its active support. Picture coupons are in the hands of a number of agents and photographs are being taken at the Clinedinst Studio. Seniors are being charged \$1.50 just as they have been charged in the past while the underclassmen are being asked to pay fifty cents. A departure will be the placing of the underclass pictures along the side of the page opposite their names. Fraternities and societies are being charged the same rates charged by the Cherry Tree in the past. The price of the book which it is expected will contain about one hundred pages, has been placed at one dollar, when bound in heavy art paper fastened with silk cord, and there will be a limited edition for those who subscribe in advance, bound in cloth at \$1.50.

SEVERAL OFFICIALS SELECTED FOR TRACK MEET

Outlook So Far Very Bright, But Students Must Give Their Support To Make It a Success.

CORNELL WILL ENTER TEAM.

The plans of the Annual Indoor Track Meet at Convention Hall on Saturday, February 13, are rapidly nearing completion. The office of the Director of Athletics has been a regular beehive of industry for the past two weeks, and the entry blanks and invitations have been sent to all the schools and athletic clubs in this vicinity which it has been thought will possibly compete. The list of events has been made up, and has been published widely in the local press. In fact, the local newspapers have been very good to us, and have given us a lot of space on the sporting pages. This alone is a great help, and gives evidence of the good will of the papers toward the University.

It is practically certain that Virginia, Washington and Lee, Cornell, Georgetown, Catholic University, Gallaudet, Lehigh, Johns Hopkins, and Richmond College track athletes will be seen in the meet, and invitations have been sent to Princeton, University of Pennsylvania, Carlisle Indians, Swarthmore, North Carolina University, North Carolina A. & M., Maryland Aggies, and Western Maryland, most of whom are expected to enter teams. All the local high and prep schools, and the different athletic clubs and organizations of this section have been invited to enter men in the Meet, and there will consequently be an imposing array of athletes at Convention Hall when the starter's gun gives the signal to be off.

Several of the officials have already been selected. In every case they have been drawn from among the best in the country, and a great many men who have made their mark in college athletics will be seen on the floor with official's badges on their coats. Mr. Culbertson of Yale, Mr. Rutherford, of the A. A. U., and several other prominent men in the world of sports have signified their willingness to act as officials. An attempt is also being made to secure John Paul Jones, the famous Cornell runner, to officiate at the meet, and as he is a personal friend of "Bob" Fleming, our coach, he will quite likely be seen here. Dr. Pollard, of Washington and Lee, the president of the Intercollegiate Amateur Athletic Association of the South Atlantic District, has kindly offered to serve in any official capacity which we may desire, and he is doing all in his power to make our meet a success.

There will be several of the South Atlantic Intercollegiate Athletic Association championship events on the

VARSITY DEFEATS C. U. IN OVERTIME; GALLAUDET WINS BY TWO POINTS

Gallaudet Game, a Repetition of the First Encounter, Ends 35-33.

GROESBECK OUT OF GAME.

In the most thrilling game that has been staged on a local floor this season, the Varsity basketball team was nosed out of a victory over the Gallaudet College quint by two points, 35-33. The game was very similar to the one which brought the same two teams in action a month ago, from which George Washington emerged a victor in five minutes overtime after the regular playing had failed to give either team the advantage.

Victory Over Brookland Quint Brings D. C. Championship Nearer.

ALMON STAR OF GAME.

Two overtime periods were required to decide the basketball game between Catholic University and George Washington at the armory Wednesday night, which was won by the Buff and Blue 23 to 20. Incidentally the championship of the District, the thing that Coach Schlosser and Athletic Director McNemar are flirting with, looms perceptibly nearer, with only the dark shadow of Georgetown athwart the prospect.

The battle was one that tested the mettle of both teams. George Washington took a slender lead in the first period and held it almost to the wire, but the Brookland boys came from behind and in a driving finish knotted the count at 18 all. Two flash-like goals from the floor, one of which fell almost perpendicularly from the ceiling, were sufficient to send the hard-fought contest into overtime.

Each team added a goal to its score in the first extra period, leaving the count tied at 20. The play was lightning fast. In the second overtime session Johnson suddenly emerged from a terrific scramble and dropped the ball through the hoop, a foul later giving Almon a chance to plump a pretty basket, ending the contest 23 to 20. White the C. U. basket shooter, probably lost the game for his team, by his repeated failures to profit by the fouls of the Hatchettes.

To little Harry Almon goes the big end of the glory for the victory. He made 17 of the 23 points scored by George Washington. He made seven successive goals from the foul line without the suggestion of a fumble. In addition he was everywhere about the floor, breaking up offensive plays and receiving hard throws. Captain Shaver made two goals and was a power in attack. Johnson made the goal that cinched the contest.

More college spirit was uncorked at this game than at any previous event of the year. Enthusiasm bubbled everywhere. There was a good crowd in attendance, many co-eds being in the audience.

ness that is generally looked for in a game of this kind. Almon, George Washington's speedy forward, who had been a prominent factor all the way, and R. Wenger, an equally valuable asset to the opposing team, were offenders in a double foul. There was a chance for either team to go ahead. But Rockwell, who takes care of free tosses for the Kendall Greeners, failed.

GET BUSY, GREEKS.

Last Friday night the Director of
Athletics addressed the two hundred
or more G. W. U. fraternity men gath-
ered at the Smoker on the Interfrater-
nity Association, on the present statu-
s of the athletic situation in the Uni-
versity. His remarks were brief but
very much to the point. He said that
up to that time less than one hun-
dred and fifty Athletic Association
membership tickets had been sold.
If this number is not doubled almost
immediately he will feel compelled
to recommend to the Board of Trust-
tees that all participation in intercol-
legiate athletics be abolished.He put the proposition squarely up
to the fraternity men. The student
body looks to them to take the lead
in a movement to foster athletics.
So far their actions in that direction
have been lethargic in the extreme.
Of the one hundred and fifty tickets
that have been sold, fully fifty have
been taken by one fraternity alone.
Discounting the number that have
been sold to co-eds and non-fraternity
men the proportion that the other
fraternities have bought has been in-
finitesimal. Such facts show that the
fraternity men as a whole of George
Washington are showing no interest
in the vital affairs of their alma mater.Mr. Fraternity Man, what is your
chapter doing for athletics and other

ed in his effort, and Almon, for George
Washington, shared a similar fate.However, shortly after this R. Wen-
ger escaped the guarding of his op-
ponent and pierced the mesh for a
basket that again put his team in the
lead. Johnson, of George Washington,
followed suit. A minute later Wenger
duplicated his stunt. From this time
to the end Gallaudet held the margin.Through a misunderstanding time
was called before the necessary twenty
minutes had elapsed.Gallaudet was leading by 34 to 31.
A discussion followed, and it was
found that one minute of play would
be necessary. This only added to the
excitement. Almon shot a basket
from midfloor, and the side line
bringing his team to one point of the
leaders. A foul charged against
George Washington followed, and
when Rockwell was successful in his

IMPROMPTU DEBATE HELD.

Columbian Society Will Elect Officers
At Next Meeting, February 5.The Columbian Debating Society
held its weekly meeting Friday even-
ing, January 15th. The attendance
was rather small as was to be expect-
ed owing to the approaching examina-
tions. For this reason, also, the ex-
ecutive Committee had assigned no
members to debate, but a subject was
chosen and posted for general discus-
sion at the meeting.The question thus argued, was:
"Resolved, that a verdict should be
rendered in a civil case, when three-
fourths of the jury agree."Before this discussion, Mr. James
F. Pierce spoke to the society in re-
gard to the special Law School Book
to be published this year. The senti-
ment of the society was heartily in
favor of Mr. Pierce's proposition
and it is intended to have a picture
of the society placed in the book.The Society suspended all meetings
until the first Friday after examina-
tions. At that time there will be an
election of officers and this opportu-
nity is taken to urge all members to
be present on February fifth.

Future Sawbones Drop Two Straight
Sets to Knights of Test Tube.The most recent games in the inter-
class bowling tourney have resulted
in the Chemists' team capturing two
sets from the team of the Pre-medical
class. The games were rolled on the
Casino alleys on consecutive days last
week. The Pre-Medics were outclassed
being able to annex but one game of
the six. The Chemists spilled about
one hundred pins more per set than
their opponents.Kebler of the Chemists rolled high
set in each match setting up a re-
cord of 329 for the second. He also
was high game with a total of 123
maples in the second game of the
second match. Davis rolled best for

TEAM ANNOUNCED.

The Annual Debate between the
two debating societies of the Univer-
sity, Columbian Debating Society and
the University Congress, has been
set for Wednesday evening, February
10, at 8:30 p. m., in the Main Audi-
torium of the Law School, Masonic
Temple. This is the stellar event of
the year and always attracts a large
crowd of supporters of the rival or-
ganizations. Last year the Columbian
Society was declared the victor by a
two-to-one vote of the judges and as
a result their opponents are espe-
cially anxious to best them.The subject for the debate is: "Re-
solved, that the President of the Uni-
ted States shall serve for a term of
six years and not be subject to re-
election." University Congress will
uphold the affirmative, represented by
Ralph J. Sterling, Rosser L. Hunter
and Frank H. Hammack. For Colum-
bian, Talma L. Smith, P. B. Morehouse
and D. A. West will endeavor to dis-
prove the proposition.All students and their friends are in-
vited to attend. There will be no
charge for admission. The presence
of the fairer sex is especially urged.ANNUAL FOOD TEST

"THE HISTORY OF CHEMISTRY"

The George Washington University
Chemical Society will hold its next
meeting on Feb. 10, 1915. A very in-
teresting and instructive subject will
be given, "The History of Chemistry."
Mr. J. N. Taylor has delved deeply
in the archives of this great science
and will give his paper in the attrac-
tive manner which has made him a
drawing card at these meetings.The students of the University,
whether studying chemistry or not,
should take this opportunity to hear
this discussion of the history of chem-
istry. Mr. Taylor will carry his lis-
teners as far back as the days of Tu-
bal Cain and then down to the pres-
ent epoch-making discoveries of the
workers of the twentieth century.The G. W. U. Chemical Society will
hold its annual banquet on the night
of February 20th. It will probably
be held at the Continental Hotel. Nu-
merous famous speakers will be there
as guests and so a very instructive
as well as amusing evening is antici-
pated.All students are urged to be pres-

CO-ED BASKETEERS WIN TWO GAMES

Decisively Defeat Gallaudet College
And Central High School.

NORTHERN TRIP PLANNED

Playing with a dash and vim that bewildered their opponents the Girls' Basketball team defeated the Gallaudet College team by the score of 37 to 11, on their opponents' floor at Kendall Green last Saturday afternoon. The Buff and Blue co-eds displayed the best exhibition of teamwork and all-around basketball that they have shown this year and the result was never in doubt after the first few minutes of play. The deaf mute girls were game, though, and fought hard throughout but had to succumb to superior goal-shooting.

Every member of the team played well and it is difficult to pick out one who surpassed her teammates. Captain Seibold at forward, was responsible for 29 of George Washington's points with thirteen goals caged from the floor and three from the foul line. Mary Tyndall, manager, was especially effective in preventing the Gallaudet girls from making baskets. For the Kendall Green team Misses Keeley and Walts excelled.

Following the game the women of Gallaudet College served refreshments to the two teams in the college library.

The summary:

G. W. U.	Position	Gallaudet
Seibold (capt.)	R. F. (capt.)	Keeley
Reeve	L. F.	Fowler
Field	Center	Harper
Hotchkiss	S. C.	Walts
Tyndall	R. G.	Burt
Craig	L. G.	Kuta

Substitutions: Hunter for Keeley, Nelson for Burt, Keeley for Kuta. Goals from floor: Seibold (13), Reeve (4), Keeley (2), Kuta (4). Goals from foul: Seibold (3), Kuta (1). Referees: Miss Agnes Carter, and Mr. Helmark. Timekeepers: Miss H. Northrup and Mr. Hamill.

G. W. U.—27; C. H. S.—5.

The co-ed basketball team indulged in a practice game, Friday afternoon, finding no difficulty in defeating the Central High School team by the score of 27 to 5, on the Epiphany gym floor. The lineup was the same as for the Gallaudet game. Mrs. Elizabeth Walton of Central High School refereed the contest.

MANAGER TYNDALL

PLANS NORTHERN TRIP.

Mary Tyndall, manager of the Girls' Basketball squad, is at present making arrangements for a trip north in February about the time of the Varsity squad's trip. Plans are indefinite as yet but it is expected that several colleges in the vicinity of Philadelphia will be played, including Swarthmore, Temple University and Tome Seminary.

Play Ingram February 1.

The strong team of Ingram Memorial will play the co-eds a return game on our own floor, Epiphany gym, Monday evening, February 1 at 7:30 p. m. The last time the teams met Ingram was barely able to take the long end of a 17-15 score after a hard-fought struggle. This time, aided by playing on their home floor and by the plentiful practice received lately, the Varsity gymnastesses feel confident of being declared the winner. The excellent work displayed in the Gallaudet game demonstrated that the squad is at the top of its form and will put up a strong fight to obtain revenge.

Tickets for the game are fifteen cents and are on sale by members of the squad. The proceeds of the ticket sale will go toward defraying the expenses of the northern trip. The team deserves the hearty support of the student body by its fine showing and a large crowd should be on hand to cheer the girls to victory.

read the notice above with respect to Dean Fraser.

As we close, we can hardly keep back the tears. Without further a-do we come to the following:

DIED. On January 15, 1915, at his late residence, the George Washington University, THE CHERRY TREE. The deceased* is survived by two daughters, Many Suxesses and Busted Studes, and two sons, Sore Profs and Sorry Seniors. The funeral was held on Sunday in the University Chapel, and was attended by many friends and relatives. Among those noticed were the two brothers, THE UNIVERSITY HATCHET and THE GEORGE WASHINGTON UNIVERSITY ATHLETIC ASSOCIATION, both of whom appeared in extremely poor health. It is feared that the latter will not survive his brother many days. There were no flowers and the interment was in the Archives Cemetery. The funeral was directed by the University undertaker, General Apathy.

*For Luther; don't spell this DIS-EASED, and don't forget the four black lines.

SONG CONTEST ENDS.

Sphinx Honor Society Will Announce Winner at an Early Date.

The contest for the prize of five dollars offered by the Sphinx, the Women's Honor Society of the University, for the best University song closed last Monday with numerous entries. The songs have been placed in the hands of the committee, consisting of Prof. George N. Henning, Dean William A. Wilbur and President Stockton. The award of the prizes will be announced at an early date.

Sphinx INITIATES.

Miss Helen Short, of Junior Class Elected to Honor Society.

Miss Helen Short, of the class of 1916, was initiated into the Sphinx Honor Society last Friday night in the Pi Beta Phi rooms. Miss Short has been prominent in co-ed student activities ever since her entrance into the University. She has been especially active in the work of the Y. W. C. A. and the Women's University Club and is a member of the Glee Club. She holds the Kendall scholarship for her class and has always ranked high in scholarship.

The Sphinx Honor Society is the only women's honor society in the University. Its numbers are limited to seven and election is contingent upon high scholastic attainments and active interest in student activities.

MRS. WILBUR SPEAKS.

AT CHAPEL SERVICES.

Mrs. Wilbur's talk at the Y. W. C. A. Chapel service last Monday was received with great delight by an unusually large number of students. Her bright smile and charming personality emphasized her helpful words on the journey we are all taking, the things we must not take with us in our suit-case of life because they would make it heavy, and the things we should take, chief among which is love, which makes other things lighter, in order that we may make "good speed." We hope that Mrs. Wilbur will be with us again this year.

DEPARTMENTAL NOTES.

FACULTY.

Prof. George N. Henning, head of the Department of Romance Languages, was reelected vice-president of the Harvard Club of Washington at a meeting held last week. Prof. Henning is a graduate of the class of '94.

The Board of Trustees will meet this afternoon at 4:30 in the office of President Stockton.

ALUMNI.

Harry W. Thompson, '14, is at present engaged in chemical research in the laboratory of the Aluminum Company of America at East St. Louis, Ill.

TEACHERS' COLLEGE.

The model practice school at St. John's Orphanage, which is now fully organized, is an excellent addition to the educational department, as it gives a splendid opportunity to the future teachers to meet the actual problems of teaching. During the term of practical teaching, each student conducts the class entirely alone and is responsible for its discipline and scholarship. The extensive practical experience afforded by the new school will greatly increase the efficiency of our graduates.

At a recent meeting of the senior class a number of the members adopted a seal graduation ring instead of the jeweled one, chosen by the Senior Class of Columbian College.

The graduating class is heartily in favor of a senior book and has passed a resolution to support any movement aiming to publish such a book.

It has been decided not to have a speaker for the class night exercises this year.

Miss Ina Eddingfield has returned to her work in the public schools and is now teaching the second grade.

Dr. Harriet Hunt has been engaged to give a course of three lectures on the subject of auto-education, at 4 p. m., on February 10th, 11th and 12th. Dr. Hunt has studied with Madame Montessori and has specialized in the education of children. These lectures will be open to all students, to public school teachers and to any others interested in education, without charge.

COLLEGE OF ENGINEERING.

Robert L. Kaue is back, after a week's absence, having entirely recovered from an attack of La Grippe.

Mr. Theodore T. Kirk, C.E., '13, is with the Reclamation Service, Department of the Interior, at Provo, Utah, doing drafting for the Strawberry Valley Project.

Architectural School.

"A Faculty Club House" was the subject of the third Beaux Arts Problem of the year, which was sent to New York, Monday, for judgment. If fine drawings and good color work count for anything, there ought to be a number of mentions. The esquires for the next problem will be taken Saturday.

Mr. A. J. Parsons and Mr. Marshall visited the architectural class, Thursday night of last week, and both expressed favorable opinions of the work. Mr. Parsons has finally agreed to apply his donation of fifty dollars to the equipment of the water color class.

A large number attended the meeting of the Architectural Club of the University last Tuesday night, at 2022 F St. Mr. Paul Kyofoa Hifada, a Japanese artist, gave an interesting illustrated talk on the gardens of Japan, describing them in all their wonderful and dainty beauty.

WITH THE GREEKS.

The annual election of officers was held by the Psi Omega Dental Fraternity at its last meeting.

Lewis W. Klopfer will represent Kappa Sigma in the Interfraternity Association, succeeding F. H. Ryan, resigned.

Despite the inclement weather of last Sunday afternoon a merry crowd of young people gathered at the Sigma Alpha Epsilon chapter at the Sigma Alpha Epsilon chapter house at a tea and a most enjoyable evening was spent by everyone. The affair was chaperoned by Mrs. Wheeler, Jr., of California.

Donald Wilhelm, '11, was a recent visitor at the Theta Delta Chi house.

Sigma Kappa entertained Mrs. Harry Jones and Miss Helen Jones at luncheon Wednesday afternoon.

Chi Omega recently entertained at supper in honor of Miss Rosa Peak, sister of Prof. Peak, formerly of the University, and Mrs. Herbert Young, a Chi Omega from the University of Texas.

Mrs. Katherine Kerby Hummer, '12, has been visiting her friends in the University recently.

The Order of the Skull and Circle, Sophomore Honor Society, announces the initiation of Pierre A. Chamberlain, Law, '16; Elvans D. Haines, Law '16; Raymond J. Hinton, Eng. '17; and Alden M. Wheeler, C. C. '16.

The group of girls petitioning Phi Mu were guests of Miss Lucy Burlingame at a "Five Hundred" party last Monday evening.

PHI DELTA PHI INITIATES

Six Admitted to Honorary Legal Fraternity.

Marshall Chapter of Phi Delta Phi, a honorary legal fraternity, located at the University initiated six men to membership last Friday night at the University Club. Judge Latimer of the Juvenile Court, J. M. Chamberlin, and Spencer Gordon, all alumni members of the chapter, assisted in the initiation ceremonies.

Those admitted to membership were Howard W. Hodgkins, a graduate of Central High School and the Engineering College of the University; Robert C. Watson, a graduate of Western High School and Lehigh University; J. C. Jensen of Sioux City, Iowa, a graduate of Morningside College of that city; Robert B. Medkley of Harrisburg, Pa., a graduate of the high school of that city, and also of Penn State College of Harrisburg, Pa.; W. R. Gregg of Palestine, Tex., a graduate of Austin College of Austin, Tex., and Harold N. Marsh of Portland, Me., a graduate of Bowdoin College, Maine, and who also attended Harvard Law School one year.

GIRLS' GLEE CLUB

RECEIVES DONATION.

The first public concert of the Girls' Glee Club, held in the Assembly Hall, December 30, was truly a success beyond all expectations. No admission was charged but Miss Ruth Ayler, Directress of the organization, a few days after the affair received an anonymous letter containing a donation of ten dollars to the Club. Needless to say, the entire membership of the Club is much encouraged and all are working hard to make the next concert even better. The officers of the Club wish to express through the columns of the Hatchet their deep gratitude toward their unknown benefactor.

A large number of girls presented themselves at the voice tryouts held in the Assembly Hall Wednesday afternoon. The Club will pass upon the merits of the candidates and elect the eligibles to membership in the near future.

INTERFRATERNITY BOWLING LEAGUE TO START FEBRUARY 2

Matches Will Be Played Every Tuesday and Thursday on Casino Alleys.

EIGHT TEAMS ENTERED.

Sigma Alpha Epsilon and Alpha Kappa Kappa will start the ball rolling in the Interfraternity Bowling League at the Casino Alleys, 14th and T Sts., Tuesday, February 2, at 8:00 p. m. The second pin-spilling bout of the evening will be between Sigma Phi Epsilon and Sigma Chi. From then on two matches of three games each will be rolled each Tuesday and Thursday night until the schedule is completed. Thursday, March 18. Eight fraternities have entered teams in the league:

Sigma Alpha Epsilon, Sigma Phi Epsilon, Alpha Kappa Kappa, Sigma Phi, Kappa Alpha, Phi Sigma Kappa, Alpha Beta Phi and Theta Delta Chi. Each team will meet each other team in one match of three games, making a total of twenty-one games. The relative standing of the teams will be compiled from the number of games won and lost.

An entrance fee of one dollar will be charged each team entered and a trophy, suitably inscribed, will be purchased which will be awarded the winner of the tournament. There are many good bowlers among the Greeks of the University and with this prize as an incentive a spirited competition will doubtless result.

The Committee on Athletics of the Interfraternity Association, consisting of Detlow Marthinson, chairman, Russell Duvall and L. H. Brown, will be in charge of all executive matters pertaining to the league and will arbitrate all questions and disputes. The first match each evening is to start promptly at 8:00 p. m., the time for which the alleys are reserved, and there are to be no postponements. Failure to place a full team on the alleys will forfeit the game. Each team is to pay for its own games in advance. Managers of teams should communicate with Detlow Marthinson, 1788 Columbia road, to receive full instructions.

The complete schedule of the games is as follows:

Tuesday, February 2.

Sigma Alpha Epsilon vs. Alpha Kappa Kappa.

Sigma Chi vs. Sigma Phi Epsilon.

Thursday, February 4.

PLANS COMPLETED FOR ENGINEERING BANQUET

Director Stratton, of Bureau of Standards, To Be Honor Guest.

TICKETS, TWO DOLLARS.

Dr. S. W. Stratton, Director of the U. S. Bureau of Standards, and prominent in scientific circles, will make the principal address at the annual banquet of the Engineering Society, to be held at the Hotel Continental Tuesday evening, February 2. President Stockton, Dean Hodgkins and Dean Munroe will also be guests of the Society.

The executive committee, which is in charge of the affair, announces that plans are practically completed. Tickets were issued early last week and placed on sale by officers of the society and in the offices of the Treasurer and Secretary of the University and the University Hatchet at two dollars apiece. The affair is to be entirely informal and its promoters promise an unusually good menu—in fact, the best offered by any of the hotels submitting estimates at any price. The evening will be enlivened by plenty of good music and numerous stunts.

The Annual Banquet of the Engineering Society is the biggest social event of the year for the students in the College of Engineering and is always largely attended. Coming as it does right after midyears it offers an excellent chance to relax from the rigor of boning and have a real, jolly time. The banquet is not limited to engineering students but all friends in other departments of the University are welcome. See one of the officers immediately and buy a ticket.

TO HAVE CLASS BOOK.

Graduating Classes of Arts and Sciences Will Publish Year Book.

At a meeting of the graduating classes of Columbian College, Teachers College and the College of Engineering, held in the Assembly Hall, Wednesday evening, it was decided that owing to the death of the Cherry Tree, the classes would combine in publishing a Senior Class Record. J. F. Wanlass was elected editor-in-chief and M. R. Walton, Mrs. Enlows and Joseph B. Kingsbury were made assistants.

It is not intended to issue as pretentious book as the Cherry Tree but the volume as planned will contain individual pictures of the members of the Senior Class with write-ups and class histories of the under classes. The athletic section will be fully as complete as those of the Cherry Trees and it is probable that the fraternities will be included. The book will be bound neatly in cloth. The price has been set at \$1.50.

Editor Wanlass requests that all seniors see him immediately and get coupons for sittings at the photographer's.
